Dear Pierre Henri,

As you know I am official FIFA Agent registered by the French Football Federation under the number 070441506.

So I am pleased to inform you that I will organise for TOP players of JAPAN National Team some trials in professional football clubs of French League 1 and 2.

Please send me the profiles for the players as soon as possible.
I need time to convince the clubs for accepting the players for a test.

Feel free to contact me anytime for anymore informations.

Best regards.

Renaud FABRE
